### **1A. Kerri Stanford – No Biting!**

“Why do toddlers bite?” Get advice on what to do when it happens. We will discuss how to work with parents when biting occurs and provide sample letters and policy statements for staff and parents.

### **1B. Albert Wright – Doing Everything Possible to Have a Great After School Program:**

Participants will gain a good understanding of what it takes to have a well-organized after school program.

### **1C. Sonja Davis - How to Get From Here to There:**

A change in activities doesn't have to bring chaos. This session is full of tips and ideas on how you can get the kids from here to there in a fun and orderly way.

### **1D. Nikki Thompson - Music & Movement to Support Readers:**

Kids naturally love to move, dance, and sing. Get ideas for using these in a preschool environment and how it connects to brain research and literacy. Participants will do a bit of dancing along the way.

### **1E. Teresa Obert – Leading With Attitude:**

What attitude does your leadership elicit from your staff? Develop a winning attitude and team by eliminating problems. Save your staff, don't get frustrated- delegate, and learn magnificent motivational tools.

### **2A. Kerri Stanford – Good Going: Successful Potty Training for Children in Child Care:**

What indicators should be present before attempting to potty train? Learn how to resolve differences with parents and troubleshoot many of the problems met in potty training. Attendees will also be provided with sample potty training policies and procedures.

### **2B. Albert Wright – Repeat of 1B**

### **2C. Teresa Obert – Diffusing Difficult Behavior:**

Practice phrases, words, and transition tricks that will change even the toughest rooms. You will be amazed at how easy it is and how naturally relaxed your corrections will become. Bring your best smile and be ready to practice!

### **2D. Nikki Thompson – Repeat of 1D**

### **2E. Tym Smith – Hiring the Right Staff for the Job:**

Learn skills and techniques to use in the interview and selection process. The focus will be on training quality teachers new and old, and retention.

**Featured Speaker: Deidre J. Stewart**  
**“But They’re Only Playing”**  
**Interpreting Play to Parents**

### **3A: Krystal Powell – Recognizing & Reporting Child Abuse (Limit 60 participants):**

Teaches about the signs and symptoms of child abuse. Learn facts about child abuse, how to recognize physical and behavioral signs of the varying forms of abuse, and other important details about how to make a report.

### **3B. Heather Bush & Natalie Scott – Kindergarten Readiness from Both Sides of the Aisle:**

Join us and delve into this hot-button topic. Get an early childhood perspective on what it is, how to implement it in your classroom, and effectively explain it to parents. Get a primary teacher's view about essentials children need when they start kindergarten. Learn tips, tricks, and techniques to help you along the way.

### **3C. Jessica Stubbs – Building Relationships with Parents Through Good Customer Service:**

Explore various types of communication and ways to connect to families. Participants will be given examples of things to do throughout the year to increase customer service and win families every day.

### **3D. Cheryl Butimore – Talk with Your Hands: An Introduction to Baby Signs:**

This is a hands-on introduction to teaching Baby Signs in the early childhood classroom. Learn to sign ABC's, numbers 1-10, and twenty baby signs, along with songs, finger plays, and activities.

### **3E. Kerri Stanford – Child Care Marketing on a Budget (Part 1 of 2):**

Help your child care center find and retain the best customers and keep your program fully enrolled. Discuss marketing strategies to increase awareness and learn how to use professional marketing skills to manage and grow your business.

### **4A. Krystal Powell –Repeat of 3A**

### **4B. Heather Bush & Natalie Scott – Repeat of 3B**

### **4C. Jessica Stubbs –Repeat of 3C**

### **4D. Cheryl Butimore – Music Throughout the Day:**

A hands-on introduction to using music and movement including how and why music, rhythm, and tonality affect early learning. Learn how to integrate music and movement throughout the curriculum with a special focus on transition activities.

### **4E. Kerri Stanford – Child Care Marketing on a Budget (Part 2 of 2):**

This is a continuance of session 3E.
